DECLARATION OF AMY STONEBRAKER

I, Amy Stonebraker, declare as follows under penalty of perjury:

1. I am a Supervisory Section Chief in the Acquisitions Division of the United States Department of Agriculture's ("USDA") Farm Production and Conservation ("FPAC") Business Center. I have held this position since April 2021. From 2004 until June 2019, I was a Contract Specialist at the USDA. As a Section Chief, I have access to various databases that contain information related to federal government procurement, including USDA procurements.

2. Attached as Exhibit A is a true and correct copy of an extract of a report pulled from the System of Awards Management (SAM.gov) database.

3. Exhibit A includes contracts awarded for administrative or technical support services to the USDA's Natural Resources Conservation Service ("NRCS") that were open to offers or quotes from either any size business or all small businesses since NRCS made the decision not to issue any more task orders against the regional IDIQs that had been awarded for administrative support services.

4. These contracts were solicited either through the GSA Federal Supply Schedule or SAM.gov.

5. As shown in the last column, the total value of these contracts was approximately \$10.8 million.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on June 17, 2022
